

PUBLIC HEARING NOTICE

A Public Hearing for the purpose of receiving comments on the proposed [Title V Significant Modification Permit](#) draft permit for DuPont Titanium Technologies will be held at 6:30 PM on December 7, 2006 at the New Johnsonville City Hall at 323 Long St., New Johnsonville, Tennessee.

DuPont Titanium Technologies has applied to the Tennessee Air Pollution Control Division (TAPCD) for a second significant modification to their major source operating permit subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). A major source (Title V) operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations. A public hearing will be held to discuss the second significant modification to this facility with details described below.

The applicant is DuPont Titanium Technologies with a site address of One DuPont Road, New Johnsonville, TN. They seek to obtain a significant modification to their major source operating permit. The significant modification involves installation of scrubbers to control fugitive dust emissions, modification of scrubbers controlling fugitive chlorine emissions, and to allow for the operation of an existing Research & Development pilot plant as a production source.

A copy of the application materials used by the TAPCD and a copy of the draft Title V permit with the significant modification are available for public inspection during normal business hours at the following locations:

Humphreys County Public Library
201 Pavo Avenue
Waverly, TN 37185-1529

and

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
